

CLARITY Solutions Partner Program

For partners that wish to use the CLARITY solution to expand and strengthen client relationships, deliver additional value, and increase per-client revenue. All in a turn-key, no investment model.

As a CLARITY Solution Partner (CSP), CLARITY will become a valuable component of your client programs. Your clients will benefit from a comprehensive survey program coupled with an innovative data analysis capability. As a CLARITY Solution Partner you can:

- Drive additional consulting revenue with targeted programs identified through survey results;
 - Deliver a more comprehensive business proposition;
 - Improve your competitive advantage;
 - Leverage aggregated data across your client base; and
 - Efficiently add sophisticated employee survey programs to your service offering
